A YEAR OF BOOKS FAQs

I would like to give the gift to my friend myself. Can you send the voucher to me so I may do so?

The voucher can be given to the purchaser in-store, or sent by second class post (UK) if purchased by telephone.

If sending direct to the recipient, can you include a personal message from me with the voucher?

Yes, this can be arranged at the point of purchase.

When will the voucher arrive?

This is agreed with you when the subscription is purchased. If a gift, the voucher will be sent by second class post within the UK. If the subscription is a Christmas or birthday gift, please discuss this with us at the point of purchase and we will try to accommodate your requirements.

How do you know what books to send?

Subscribers can complete a brief reading questionnaire or arrange a reading consultation by phone, email or in person at the shop by contacting Rosamund or Vivian at the shop on 01835 824087. If we don't hear from the subscriber within one month of the voucher being sent we will begin sending our choice of the best new books each month.

At what age can children start A YEAR OF BOOKS?

At any age! Our specialist children's booksellers will choose age appropriate books, for babies to young adults.

When will the first book arrive?

The voucher will be sent out by second class post after purchase unless otherwise requested during the checkout process. The book parcels will begin the following month. We can't give a specific day but if you live in the UK and the book hasn't arrived by the 10th of the month, please get in touch and we'll check what's happened.

What happens if the subscriber has already read the book you sent?

We try our best to pick new or unusual books, however, if a subscriber receives a book they've already read, they are welcome to return it to us and we'll send out a replacement. Postage for the return of books and the sending of replacements is at the subscriber's expense.

What happens if my contact details or book tastes have changed since the questionnaire?

Subscribers can update their preferences at any time, just give us a call or send us an email. Similarly, please keep us in touch with any changes in contact details/postal addresses, so that we don't have any books going astray.

Can A Year of Books be exchanged for cash?

It is not possible to exchange A Year of Books Voucher for cash.
