## EMMA HEALEY

Jen's 15-year-old daughter goes missing for four agonizing days. When Lana is found, unharmed, in the middle of the desolate countryside, everyone thinks the worst is over. But Lana refuses to tell anyone what happened, and the police draw a blank. The once-happy, loving family return to London, where things start to fall apart. Lana begins acting strangely: refusing to go to school, and sleeping with the light on.

With her daughter increasingly becoming a stranger, Jen is sure the answer lies in those four missing days. But will Lana ever reveal what happened?

*"Utterly compelling and insightful, I was drawn into this family in crisis from the first chapter of this unflinchingly honest and beautifully written novel"*  
– ROSAMUND LUPTON
