Mainstreet is of course, situated in the path of St Cuthbert's Way, so we are delighted to be hosting an event to mark publication of *Cuthbert of Farne*, written by Northumberland author Katharine Tiernan on **Tues 28th May.**

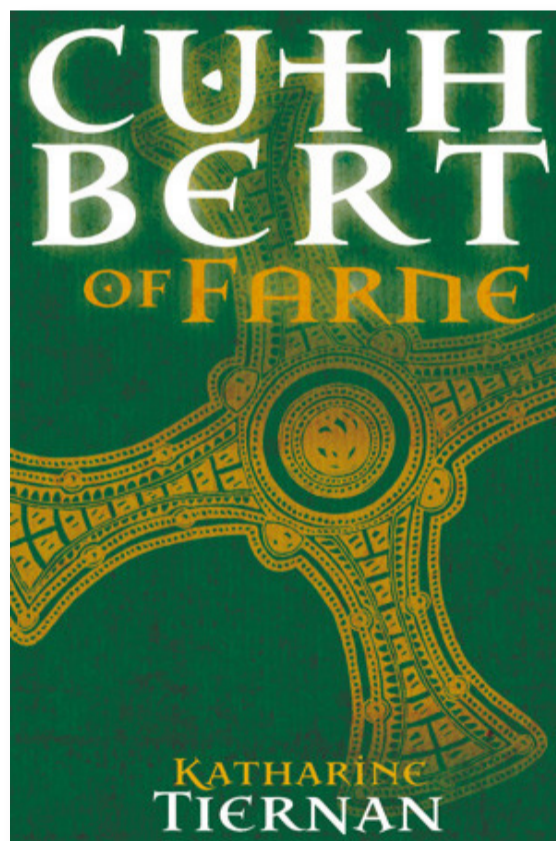

CUTHBERT OF FARNE

This historical novel brings new life to the legendary Anglo-Saxon saints of the North and tells the story of the struggle for the Church in seventh-century England. Characters include not only Cuthbert, but other Northern saints like Wilfrid, Aidan and Hilda of Whitby.

"Growing up in North Northumberland, I have a sense of personal connection both to St Cuthbert and to the landscapes of the North East where he lived. It has been a joy to write this novel and I hope it will shed new light on the life of the North's greatest saint."

—KATHARINE TIERNAN

St Cuthbert lived as a monk, bishop, and then hermit, on Holy Island (Lindisfarne). Revered during his own lifetime for his preaching and holiness, Cuthbert was acclaimed a saint in 698.
